# Management School Scholarships for Taught Postgraduate Programmes

## for International Students

Queen's University Management School is offering 25 MSc Scholarships for international students enrolling on any full-time postgraduate taught programme within the School for September 2009 entry. The scholarships of £1500 will be awarded competitively on the basis of academic performance to date.

### How to apply

All international applicants who apply for the full-time MSc programmes will automatically be considered. The award will be made on the basis of academic performance to date. The closing date for receipt of applications and accompanying transcripts is 30 June 2009.

Applicants are responsible for ensuring that a full undergraduate transcript is submitted when making their application to the programme.
